The London Times' Vienna correspondent states positively that preliminary steps towards the realization of the first of the four guarantee points are about to be taken. The first point relates to the Principalities, and the second to the future position of the christian population in Turkey. Conferences relative to the re-organization of Moldavia and Wallachia would begin at Constantinople as soon as the Austrian Envoy reaches that city.

The Times' Berlin correspondent states that it was rumored that the Swedish alliance was doubted there; and that the failure of the harvest in Russia was confirmed. Large quantities of corn were being imported by the Russian government from Prussia. General Simpson and suite arrived at Marseilles on the 23d of November. The French squadron, under Admiral Bruat, with the Imperial Guard, was spoken in the Archipelago on the way home.

THE SUBSCIBER OFFERS FOR SALE THE following property in Brunswick county, N. C., viz:

A Steam Circular Saw Mill, in a healthy location on Shaltimber may be sawed 50 feet long. The building is two story and spacious room for other attachments. A spacious Wharf is built in front for piling lumber, and extending from that a wharf for landing Naval Stores, on which is a good Warehouse. On the premises are two good Dwellings and out buildings, sufficient for the accommodation of the Mill, a Smith Shop, &c. Vessels drawing 10 feet water load at the Timber Wagons for the use of the Mill, and there is an abundance of Timber within four miles of water, through which it can be floated to the Mill. About 4 of a mile above the Mill, I will sell a tract of about 60 acres of land, on which is a House and good Stable,

either with or separate from Mill. A part of said land has been under cultivation. Two miles above, on the opposite side of the River, and ying on it, I will sell a tract of about 1,600 acres of land, on which are three good crops of boxes, not high; considerable good mill timber and an abundance of Lightwood. This scope of land embraces several hundred acres of excellent Marsh Land, making fine pasturage for Stock, and a considerable portion, with the ordinary labor, can be converted into Corn and Rice Land. There is also some 4 or 500 acres of excellent Upland, adapted to Corn, Ground Peas, &c. The value and advantage of the Marsh for manuring cannot be surpassed; there are buildings on it and from 50 to 75 acres under cultivation, and excellent water. I will also sell the place where I reside, on the Wilmington and Georgetown Road, two miles from the last place,
